The popular Chatham Cruise-In's are jointly sponsored by the Virginia-Carolina Chevy Car Club & Chatham First which are slated to resume in April 2013. The events are held on the 4th Saturday of each month from April through October typically starting at 4 pm to approximately 8 pm, depending on daylight & weather conditions. The event attracts usually over 300 classic cars in the downtown area of Chatham where Main Street is blocked & becomes a pleasnt promenade for all who enjoy viewing beautiful automobiles. Plan on attending these events & help support the Town, our businesses & volunteer groups. Admission is free!
